After the wedding festivities on Saturday, we will be spending a restful day in Sonoma's wine country. We invite you to join us. Or, use this map to explore on your own! These are the Sonoma wineries closest to San Francisco. There are many to explore, so we've recommended our favorites (see the stars). Join us at Larson (maker of the reception wine) for bocce in the afternoon. Or, join us later at the Jack London Saloon for after-dinner drinks.
